Hello Marcel!

WBR is very excited to attend this year's congress in Thessaloniki, and see all our dear friends across the world again!

Tracy Christiansen would like to represent WBR and present to the Dog Commission our interesting findings with younger canines this past year.

Titled: The Value of a Younger Dog

He is prepared to have material fit for the usual 20 minute speech with 10 minutes of Question and Answer time. If you would like to like that time to be greater or shorter please let me know. As well as we do have another idea for a presentation regarding puppy selection and travel techniques if you need to fill more time on the schedule.

We look forward to catching up with you soon!

Sincerely,

Margie
